

ON-DEMAND LEGAL COUNSEL

Providing a unique legal resourcing solution.

LAWGISTIC

Perfecting the Profession

Companies oftentimes face these dilemmas:

- The business has day-to-day legal needs, but does not have the resources, or need for full-time, In-House Legal Counsel
- The Legal Team requires additional support on important projects
- On-Demand Legal Counsel provides a unique legal resourcing solution designed to deal with cost pressures, mounting workload or other resourcing challenges.

HOW CAN WE HELP?

Lawgistic provides the benefits of both a law firm and an In-house legal staff On-Demand, without the procedural and economic inefficiencies of traditional service models, offering an innovative and flexible legal resourcing solution to meet your changing needs.

We Offer:

- A single legal supplier managing all commodity work for a fixed fee
- Experienced attorneys to act as your Outsourced/In-house Counsel
- Lawgistic's ability to apply the appropriate legal skill set to your specific needs

ON-DEMAND LEGAL COUNSEL

Our Commitment

Add Value	Provide business-focused and practical legal advice.
Client-Conscious	Get to know the client and understand its needs.
Multidisciplinary	Be a resourceful and proactive support, keeping things simple and ensuring legal accountability.

Our Model

Our attorneys can work on-site or remotely, with the schedule flexibility that you need. They are available for any type of project that requires highly skilled, embedded attorneys who know how to successfully navigate the corporate environment

Lawgistic only hires top attorneys with experience working for leading firms and/or internal legal groups. We require that our attorneys have significant In-house experience, in order to ensure rapid ramp-up, self-sufficiency and a first-hand understanding of risk-reward analysis.

These unique capabilities enable all size companies to receive an effective and personalized legal service, without employing a full-time lawyer or recruiting additional headcount.

Your Benefit

Clients experience considerable advantages in working with a lawyer who gets to know them and their business well. Having a commercially astute lawyer working closely with your business at the start of any initiative, results in a quicker and more cost-effective implementation of your business goals.
